2. SCOPE OF CONSENT

I am the parent/legal guardian of the student named above and voluntarily consent to the student's participation in the regular, supervised Learning Elements programs identified in Section 1 during the stated enrolment period. Covered activities may include classroom instruction, tutoring, music, art and craft activities using age-appropriate materials, indoor play, breaks, and low-risk supervised activities on the Learning Elements premises or immediately adjacent designated areas, but only as scheduled and supervised by Learning Elements.

ACTIVITIES REQUIRING SEPARATE CONSENT

This form does not authorize off-site field trips, transportation, swimming or water activities, skating or skiing, climbing, contact sports, trampolines or inflatables, power tools, overnight activities, or any materially different or higher-risk activity. Learning Elements must provide separate written details and obtain any additional consent or waiver required by law.

3. SUPERVISION, ARRIVAL, DISMISSAL AND CONDUCT

Learning Elements will provide reasonable care and supervision appropriate to the student's age, the activity, known needs and applicable law. Supervision begins when the student is checked in and accepted by staff at the designated time and place, and ends when the student is released under the authorized dismissal arrangement. The parent/legal guardian remains responsible before check-in and after release.

- The student must follow reasonable safety, conduct and emergency instructions and use premises, materials and equipment only as permitted.
- The student must remain within designated areas and may leave only with an authorized adult or under written independent-dismissal instructions accepted by Learning Elements.
- The parent/legal guardian must keep contact, health, custody and dismissal information current and remain available for urgent contact and early pick-up.
- Learning Elements may suspend or end participation and require prompt pick-up if conduct creates a safety risk or materially disrupts the program.

Complete all material program and health details before signing. Separate consent is required for excluded activities.

4. UNAUTHORIZED DEPARTURE AND SAFETY RESPONSE

If a student leaves a designated area or the premises without authorization, separates from the group, or is otherwise unaccounted for, Learning Elements will promptly take reasonable steps to locate the student, maintain appropriate supervision of the remaining students, notify the parent/legal guardian and, where appropriate, building security. If the student cannot be promptly located or staff reasonably believe there is an immediate safety risk, Learning Elements will contact 911, local police or emergency services, as appropriate.

LIMITED RELEASE - UNAUTHORIZED DEPARTURE

To the extent permitted by applicable law, I agree to release Learning Elements and its owners, employees, teachers, volunteers and authorized representatives from liability for injury or loss arising directly from the student's unauthorized departure or deliberate refusal to follow safety instructions, provided that Learning Elements exercised reasonable supervision and complied with applicable law.

5. RISK ACKNOWLEDGEMENT AND LIMITED RELEASE

Regular on-site programs involve ordinary and inherent risks that cannot be completely eliminated through reasonable precautions and supervision. These may include slips, trips and falls; minor collisions or contact during play; cuts or irritation from age-appropriate art, craft and classroom materials; use of musical instruments, furniture and ordinary learning or play equipment; accidental allergen or illness exposure despite reasonable precautions; conduct of other students or visitors; and weather-related risks in supervised outdoor areas. The activities and any additional material risks must be identified in Section 1 before signing.

I understand these risks and voluntarily permit the student to participate. To the extent permitted by applicable law, I accept for myself, and acknowledge on the student's behalf, the ordinary and inherent risks that remain despite reasonable care and safety measures.

LIMITED RELEASE

To the extent permitted by applicable law, I agree to release Learning Elements and its owners, employees, teachers, volunteers and authorized representatives from liability for injury, loss or damage to the extent arising from the ordinary and inherent risks described in this form. Nothing in this form excludes or limits liability, statutory rights, or duties of reasonable care and supervision that cannot lawfully be excluded or limited under applicable Ontario law.

6. HEALTH, MEDICAL AND EMERGENCY INFORMATION

The parent/legal guardian must provide complete and accurate information and promptly report changes. Learning Elements will take reasonable precautions based on the information provided, but the premises cannot be guaranteed allergen-free. Medication will be stored or administered only under a separate written authorization and applicable policy.

If an accident, injury or medical emergency occurs, Learning Elements will make reasonable efforts to contact the parent/legal guardian or emergency contact. If contact cannot be made promptly and staff reasonably believe immediate attention is required, I authorize reasonable and necessary measures, including basic first aid, calling 911 or emergency medical services, ambulance transportation, hospital care and staff accompaniment where reasonably necessary. Learning Elements may act without prior approval to protect the student's life or physical safety. To the extent permitted by law, uninsured ambulance, hospital, medical and related expenses are the responsibility of the parent/legal guardian.

7. ILLNESS, PEER INTERACTIONS AND PERSONAL PROPERTY

- The student must not attend when exclusion is required by applicable public-health direction or Learning Elements' communicated illness policy. The parent/legal guardian will arrange prompt pick-up if the student becomes ill or cannot safely remain in the program.
- Reasonable health, hygiene and supervision measures cannot eliminate every exposure to communicable illness, allergens, peer conflict or inappropriate conduct. Learning Elements will take reasonable steps when it knows or reasonably should know of a material safety concern.
- Valuable personal items should not be brought to the program. To the extent permitted by law, Learning Elements is not responsible for ordinary loss, theft or damage to personal property unless caused by its failure to exercise reasonable care.
- The parent/legal guardian agrees, to the extent permitted by law, to reimburse reasonable and documented direct repair or replacement costs for intentional or reckless property damage caused by the student.

8. THIRD PARTIES, PRIVACY AND SEPARATE CONSENTS

A third-party instructor or service provider may have reasonable safety rules. If a third party requires a separate waiver, release or participation agreement, Learning Elements will provide it in advance for separate review and signature. This form does not incorporate or accept unknown third-party terms. Learning Elements may collect, use and disclose the information in this form only as reasonably necessary for enrolment administration, supervision, health and safety, emergencies, insurance and legal compliance, subject to applicable privacy law and its privacy practices. This form does not authorize promotional photography, video, audio recording or social-media use; any such consent must be obtained separately.
