2. CONSENT, SUPERVISION AND TRANSPORTATION

I am the parent/legal guardian of the student named in Section 6 and voluntarily consent to the student's participation in the trip described in Section 1. I authorize Learning Elements and its owners, employees, teachers, volunteers and authorized representatives to provide reasonable care, supervision, safety instructions and management during the trip and to arrange the transportation described above.

A completed and signed form is required before the student may participate.

3. STUDENT SAFETY AND UNAUTHORIZED DEPARTURE

- Follow Learning Elements and venue safety instructions and posted rules.
- Remain with the assigned group and within designated areas unless staff gives permission.
- Use facilities and equipment only as permitted and avoid dangerous, disruptive or disrespectful conduct.

Learning Elements may suspend a student who refuses safety instructions and contact the parent/legal guardian to arrange early pick-up.

If a student leaves the designated area, separates from the group or is otherwise unaccounted for, Learning Elements will promptly take reasonable steps to locate the student, notify venue staff or security and the parent/legal guardian, maintain appropriate supervision of the remaining students, and contact 911 or local emergency services if the student cannot be promptly located or an immediate safety risk exists.

To the extent permitted by applicable law, I agree to release Learning Elements from liability for injury or loss arising directly from the student's unauthorized departure, provided that Learning Elements has exercised reasonable supervision and complied with applicable law.

4. RISK ACKNOWLEDGEMENT AND LIMITED RELEASE

Field trips and transportation involve ordinary and inherent risks, including slips, trips, falls, collisions, traffic and weather, illness or fatigue, public areas, facilities, equipment, other participants and members of the public, and the activity-specific risks identified in Section 1. These risks cannot be completely eliminated through reasonable precautions and supervision.

I voluntarily permit my child to participate and, to the extent permitted by applicable law, assume the ordinary and inherent risks that cannot be completely avoided through reasonable care and safety measures.

LIMITED RELEASE

To the extent permitted by applicable law, I agree to release Learning Elements and its owners, employees, teachers, volunteers and authorized representatives from liability for injury, loss or damage to the extent arising from the ordinary and inherent risks described in this form. Nothing in this form excludes or limits liability that cannot lawfully be excluded or limited under applicable Ontario law.

In an emergency, Learning Elements may act to protect my child's life and physical safety without waiting for prior approval. Uninsured ambulance, hospital, medical and related expenses are the responsibility of the parent/legal guardian.
